Nature & Imagination Meet*

2017

Easy Living *Made Even Easier*

We've always focused on bringing you innovative Western Red Cedar outdoor products that deliver lasting enjoyment. While this still remains true, it's our belief that outdoor living and gardening can be accessible to everyone. That's why we continue to expand our offering with new product ideas and materials. Look to Gromomics® to continually deliver weather resistant, durable, and the long lasting quality that will bring many years of enjoyment!

Uniquely Rustic *Perfectly Refined*

Our Rustic Series products have a rough-sawn finish that will look great if left to weather naturally or finished with almost any paint or stain. Beds and planters of various sizes make this a very exciting series that offers modular designs.

Bean Bags

Our bags are made of an all-weather premium canvas material. It is the ideal fabric for both durability and long-term playability. It feels great on the very first toss and it gets better with every throw. We have found pea rock to be the best fill. The pea rock is also very consistent in weight and mass from pebble to pebble, offering perfect bag balance.
