Taking Gardening to New Heights

GRONOMICS CREATES GARDEN SPACE.

Gronomics is the answer for an instant and manageable garden that can be placed anywhere. We use 100% Western Red Cedar in all our products – that’s quality -built materials handcrafted right here in the USA. Solid and sturdy designs deliver the best looking gardens year after year. We offer a variety of options to choose from including rustic rough-sawn planks, unfinished and food-safe tung oil finish.

Easy to grow in any direction.

It’s hard to find a product that speaks for itself. Quality materials and simple design make it easy for anyone to take it home and garden. Modular doesn’t have to mean complicated. That’s why we designed it to assemble in minutes. Combine multiple kits together to make any configuration desired. It’s so simple to build – the hardest part is choosing the plants to put in them.
